Dear Parents,

September 13, 2022

Fair Oaks is in the process of reconvening school committees and holding elections, as required by state and federal regulations. You are invited to become a candidate for membership on the School Site Council and/or English Learner Advisory Committee.

The SSC is necessary for schools receiving categorical funding. Fair Oaks receives a variety of categorical funds, which are used to supplement the regular school program and ensure that all students have equal opportunities for learning. The purpose of SSC is to help establish and approve the School Site Plan. The School Site Plan is a comprehensive plan designed to improve the effectiveness of the overall school program. In order to accomplish this task, the SSC meets on a regular basis to assess student needs, develop and approve the plan – including categorical budgets – and monitor its implementation. At Fair Oaks Elementary, the SSC meets on a quarterly basis.

The ELAC advises the principal and the SSC and school staff on programs and services to English Learners. Their tasks include advising the principal and staff on the school's program for English learners and making parents aware of the importance of regular school attendance.

This is a two-year term. If you are interested, please either email me directly or return the bottom portion to your child's teacher by **9-23-22**. An election ballot will follow at a later time.

For additional information, contact Mr. Cortes at (209) 847-0391.

Please return this form by **September 26, 2022** to have your name placed on the election ballot.
