"Best Me"

Dear Parents and Students,

Fair Oaks welcomes all of you to the 2022-2023 school year and I would like to introduce myself as the new principal.

My name is Ben Cortes and I have lived in Oakdale since I was 6 years old. I went through the Oakdale school system and even attended Fair Oaks for most of my elementary schooling. My wife and I live in this community and our son and daughter attend Oakdale schools as well. I taught Special Education for ten years at OJHS and was the vice principal at Cloverland Elementary across town for the past five years. I truly care about this community and am committed to serving all of you.

As the year begins, please keep in mind that there may be things that are different and changing.
